## Superhero Training Academy

In celebration of the Month of the Military Child, we hosted a Superhero Training Academy & Ice Cream Social to honor military children here at Kirtland. Let's be honest, they really are heroes!

They test their Hulk-like strength by smashing ice cream cones, practiced throwing their shield like Captain America, and even detonated a room full of "BOMBS" (black balloons)! Thank you to everyone that attended and us to honor your little heroes, even if in a small way!

A special thanks to Savannah Hewett, Kirtland's Blue Star Families Chapter Director, for always supporting us at our events!

### Peter Cottontail

The Easter Bunny stopped by the Kirtland Family Housing Town Center last month! She thoroughly enjoyed spending time taking pictures and receiving gifts from the children that came to visit! Check out our Facebook page for pictures from the event, and feel free to send any pictures from the day that you may like to share to our Marketing Coordinator, Amber Tracy, at [amber.tracy@huntcompanies.com](mailto:amber.tracy@huntcompanies.com)!

How adorable is this? Thank you again to all of our amazing residents that came out and made this event such a success!

### Maintenance

Preventative Maintenance visits are well on their way with Villages 3, 4 & 5 scheduled for this month! Our maintenance team will need to enter your residence on your scheduled date. This can be found on our Facebook page, in an email sent out last month, and/or the notice that will be posted on your door the week prior. During their visit they will be changing the furnace filter and conducting a complete inspection of all detectors.

You are not required to be present at the time of the inspection. We do ask that you please contain any pets on this day to help expedite the process. Please have the garage clear so the tech can service the furnace, and note that they will need to enter each bedroom to inspect detectors. If you have any questions, feel free to call the office at (505) 232-2049.
