## KFH BREW TOUR AT STEEL BENDER BREWYARD

We had a blast with our 20 residents who joined us on our resident-only brew tour to Steel Bender Brewery. We enjoyed apps, a flight of beer, and a great time getting to know new friends. Keep your eye out for a resident-only wine tour coming up in June! Thanks to Outdoor Rec for providing these awesome opportunities. Check them out for their monthly programs!

## REMINDER ABOUT PETS

There has been a lot of talk about making sure to follow the pet rules that are stated in your lease. Please, please make sure you are keeping your dogs on a leash whenever they are outside of a fenced area and that you are picking up after them right away. If anyone is not cooperating with these rules, please help us out by taking a photo and sending it to us. We are really trying to make sure everyone stays safe and that our community is as clean and pleasant as possible. Thank you for your help with these issues!

## VALENTINE'S DAY PARTY FUN

We had quite the turnout at our Valentine's Day party last month! Thanks to everyone who joined us making crafts and enjoying sharing a little love. We love getting a chance to spend time with our residents!
