Base 911 Dispatch (505) 853-9111

We are happy to serve you!

We are currently looking for Tenant Representatives for Village 5, 6 & Maxwell!

The role of the Tenant Representative is to be the bridge between Kirtland Family Housing staff and our residents. We help to foster a warm, united community and provide a clear, consistent source of information to help use improve the quality of service to our residents. Tenant representatives are asked to attend bi-monthly meetings held at the Town Center to bring forth issues, concerns, and ideas to the KFH team. Contact the office today to volunteer or for more information!

Library Lovers' Month

As we hope you're all aware, Kirtland Family Housing, with the help of Kate Oyer, Kirtland's Blue Star Families Fellow, and Girl Scout Troop 10308 opened a lending Library last August. Doors are currently open every Wednesday from 11a-3p at the Kirtland Family Housing Town Center, though we are hoping to expand these hours in the future. Searching for volunteer opportunities for yourself or small group? Feel free to contact Kate at koyer@bluestarfam.org or Amber Tracy at amber.tracy@huntcompanies.com.

Are you in the midst of a pre-PCS purge? We'd be happy to take all of your gently used books for all ages as we are currently working on expanding our Lending Library to Maxwell Place, as well!

Feel free to drop off any book donations in the leasing office during business hours.

Visit us on Wednesday from 11a-3p & don't forget a book to leave so that you can take a "new" one home!

Hunt Update

Valentine's Day

Valentine's Day can be so much more than candy and flowers. How about taking care of your heart? Find a workout buddy and work out together. Insert a few more good-for-you meals into your rotation. Taper off holiday sweets by making every other day treat-free. Try an unfamiliar fruit or vegetable.

Take a walk. Short distances add up, and even one with many stops for dogs or kids is better than nothing. Bundle up and get outside on cold, sunny days – you'll feel better!

What better gift than being healthy and happy for those you love?

Valentine's Day can be a bright spot in a dreary month. What acts of kindness or gratitude will you perform?

Maintenance

February seems so long for a short month...

Let's talk about winter driving. Whether that means rain or snow in your area,...

- Slow down and leave plenty of room between you and the car in front of you
- Stopping distances increase – slow down for intersections, turns and other traffic early
- If you skid or hydroplane, look and steer in the direction you want to go. Avoid sudden braking.
- Accelerate and decelerate slowly
- Avoid using cruise control on wet or slippery surfaces
- Ensure tires are properly inflated
- Carry an emergency kit
- Always wear a seat belt
- If conditions warrant, stay home
