Summer Kick-Off Luau Pool Party

Thank you to everyone who came out for our annual pool party on Saturday, May 21st! We had so much fun dancing, grilling, playing water games & giving away prizes (a grill, corn hole set, fire pit & cooler were the BIG giveaways!)

For those of you who were unable to make it, no worries! The pool is now open Tuesday- Sunday from 11a-8p! Please remember: only two guests per household are allowed in order to ensure our residents are able to use this amenity.

If you have any questions, concerns or ideas, please let us know! We'd love to hear them!

Jaxon decided to take a break from swimming to fill up on some cupcakes!

Hunt Update

Summertime – and moving's never easy...

June brings warm weather, the end of the school year and MOVING VANS! Let's show our new neighbors our great sense of community and welcome new families. There's nothing like a smile and freshly baked cookies, or a pitcher of iced tea, a pot of coffee or a chilled adult beverage to make a new family feel at home.

Ensure new neighbors are included in block parties or potluck meals. Introduce kids to others their age. It's much nicer to have someone to hang out with during the summer.

Our community is uniquely situated to welcome newcomers. It's a great way to model empathy to our children and perhaps make some new friends.

Water Awareness and Summer Safety

No matter where you live, summer and water seem to go together. Here are a few items to keep in mind this season:

With mosquitoes on everyone's mind, eliminate standing water areas, such as bird baths, kid's toys, pails, wading pools, plant saucers or other places where water may accumulate. A child can drown in just a few inches of water in a bucket – adult supervision is essential when kids are around water.

It's also prime time for open windows. Keep in mind that window screens keep bugs outside – they don't keep kids inside. Ensure children are supervised when windows are open and keep furniture which could be climbed away from windows. It's tempting to use the dresser drawers as steps, for example, so please be mindful that kids may use furniture in unexpected ways. Check that any blind cords hang freely – they shouldn't be knotted or tied to prevent strangulation. If you have concerns, please contact maintenance.
