## Fall Festival Success!

Thank you so much to everyone who came out to the Fall Festival at the Mountain View Club in September. It was a huge success, despite the crazy wind! We loved seeing you all enjoy the helicopter, hayride and pumpkin patch, games, yummy food, bouncies, and more! We had over 400 people who attended and it was a blast. Congratulations to our chili cook-off winners as well! Sheila Lefebvre - 1st place, Col Harner - 2nd place, and Arlene Gentry - 3rd place! Everything was delicious and we thank all of our contestants for participating. We already can't wait for next year's festival!

## CELebration! Annual CEL Survey

Watch your email (and check your spam folder!) On October 3rd you will be receiving an email containing the annual CEL Satisfaction Survey. This is your opportunity to give us feedback on how we are able to create an exceptional living experience for you and your family. We are committed to LISTEN and REACT to the information that you share.

Just by simply completing your online survey and opting into the drawing upon submission, you'll be entered for a chance to win a month of free rent, or two chances at 1/2 off a month of rent. We will draw these names from the top 3 participating villages. **EARLY BIRD PRIZES!!!!** If you complete the survey within the first week, you will be entered into a drawing for a \$300 VISA gift card, \$200 VISA gift card, and \$100 VISA gift card. The early bird drawings will take place at end of business on Tuesday, October 10th.

To enter all drawings, please stop by the office with your survey completion confirmation and we will add your name to the drawing. You may print the confirmation page or show us on your phone.

## HELPING HANDS DAY

Thank you all so much for your generous donations for The Storehouse and The Ronald McDonald House. Our KFH staff had a wonderful day serving the community through these organizations and we were so proud to show our residents' support through your donations. We served The Storehouse with their food pantry program, stocking, sorting, and more. At the Ronald McDonald House, we cleaned, sorted clothing items, worked on landscaping, and made 180 breakfast burritos for their families! It was a wonderful opportunity for us all.
