Please join us at Hardin Field on Friday, May 25th from 3-5pm for a 5k walk/run and memorial ceremony to ensure that our fallen war heroes are remembered, and that their families are supported by a grateful nation. We will be providing post-run snacks and drinks. If you are able, please RSVP on our Facebook event page @KirtlandFamilyHousing, but walk-ins are still welcome.

WHY WALK OR RUN WITH WEAR BLUE?

Since September 11, 2001, 6,938 Americans have given their lives in the Global War on Terror, leaving behind hundreds of thousands surviving loved ones. America is in the midst of its longest war to date and Memorial Day is an opportunity for all Americans to speak the names of our fallen heroes, and carry their legacies through the healthy and life-affirming steps of a run. wear blue is a running community that honors the service and sacrifice of the American military. Our running community unites and supports military and their families, veterans, Gold Star families, and civilians through active remembrance and meaningful relationships. We motivate and empower individuals to healthier, more inspired living. The organization goals are to act as a support network, serve as a living memorial, and to bridge the gap between the military and community. The community is a powerful network of the American military and their families, veterans, wounded warriors, Gold Star families, and supportive community members.
