Community Updates and Stories | DECEMBER 2018

## KIRTLAND

A HUNT MILITARY COMMUNITY™

ONE MISSION. ONE COMMUNITY.

## CHRISTMAS LIGHTS CONTEST

Judging for our Annual Christmas Lights Contest will take place on Thursday, December 20th. You do not need to do anything special to enter besides decorating and having your lights on between the hours of 5-9pm on the 20th! There will be one winner for Maxwell Place and 1st, 2nd, and 3rd place winners for KFH. Happy decorating!

## YOU BETTER WATCH OUT, YOU BETTER NOT CRY

Santa Claus is coming to town! Join us at the KFH Town Center on Wednesday, December 12th from 4-6pm for photos with Santa! We will also serve Christmas treats. This is free and open to all KFH and Maxwell Place residents. Merry Christmas!

## HOLIDAY TIPS

**-REDUCE FIRE HAZARDS** - Check each set of lights, new or old, for broken or cracked sockets, frayed or bare wires, or loose connections. Discard damaged sets or repair them before using. When placing electrical cords keep away from water and out of high-traffic areas where people could trip on them, and never use more than three sets of lights per single extension cord. Turn off all lights on trees and other decorations when you go to bed or leave the house. Lights could short and start a fire.

**-CHOOSE LED LIGHTS** - When purchasing holiday decorations, make the switch to LED lights. LED's are more efficient, use up to 90% less energy than incandescent, and last much longer! They also stay cool to the touch and produce less heat, so your home is safer. You can save even more by using those new LED lights on a timer.

**-DO IT YOURSELF ORNAMENTS** - Add extra elegance and reduce your energy use by making your own decorations rather than purchasing new energy consuming decor. Pine cones, gingerbread cookies cut into shapes, paper chains made of used paper, etc!
