Our President's Message

The month of June was a very busy month for Hunt Military Communities. As most of you saw in the recent letter we sent to each of you, we've heard loud and clear that we need to be more responsive to the needs and concerns of each of you, which means giving you a stronger voice and making sure that you are heard within our communities. To that end, we've

undertaken a top-down review of our processes, policies, training programs, and the tools at our residents' disposal to ensure we fulfill our responsibilities. All of those changes are outlined in the letter you should have received. If you have not, please let your Community Director know as soon as possible.

Also in June, HMC's non-profit organization, the Hunt Heroes Foundation (HHF) had a very productive meeting with Stop Soldier Suicide (SSS). SSS and HHF have a very strong relationship, and this strategic meeting outlined ways that we can help support their mission in ending suicide among active duty military members, veterans and retirees. Stay tuned for more

information on how this partnership will evolve and what you can do to support it. As always, if you are interested in learning more about the Hunt Heroes Foundation, or supporting its cause, please log onto

Maintenance: Summer Safety Tips

- Fireworks are prohibited on KAFB. BE SAFE! Leave the fireworks to the professionals-attend a public display!
- Did you know sparklers burn at more than 1000 degrees? That's hot enough to burn glass! Consider providing kiddos with glow sticks or flashlights instead.
- Keep a bucket of water or a garden hose handy in case of fire or other mishap when using grills, smokers, fire pits, etc.
