HUNT MILITARY COMMUNITY

Our President's Message - April

April is a special month for our HMC families as we celebrate the Month of the Military Child. It is a time to honor the sacrifices made by military families worldwide and especially the dependent children of military members serving at home and overseas. Since 9/11, over 2 million children have had a parent deployed overseas, and some have had a parent deployed multiple times. Military youth of today promise to be some of the most active and involved populations in our nation's history. It is only fitting that we take time to celebrate them in a special way. Thank you to our military families with children who continue to teach and inspire our future leaders.

"As a military wife, who has spent nearly 12 years of my life in military housing, I know all too well the role our office plays in our military experience. It's my goal, that years from now, our families look back and say, "Wow! Our time at Kirtland was awesome!"

Did you know...

Pacifica is a Burqueña, graduated from La Cueva High School, the University of New Mexico and met her husband at McGuire AFB.
