

# COMMUNITY DIRECTOR UPDATE

**JUNE 1, 2025**

## **COMMUNITY NEWS**

We are excited to announce we are in the process of revamping our community parks. We will be installing new mulch in the park areas and installing a new shade canopy for the infant pool. With that being said we kindly ask everyone to be cautious of trash and glass left at playground areas. Should you observe excess amounts of trash or glass at playground areas, please contact the office and place a work order so we can rectify the issue.

## **COMMUNITY UPDATES**

As pool season is underway, we want to remind everyone of our pool rules. We will be sending a separate email with detailed community pool rules to ensure all residents are following and keeping the pool a safe environment for everyone to enjoy!

## **MAINTENANCE TIPS**

Keep your home in great shape by taking preventative steps like cleaning and checking common areas and appliances regularly. Be sure to address maintenance requests quickly to avoid further damage and keep your living space cozy and comfortable.
