We are happy to serve you!

We are currently looking for Tenant Representatives for Village 5, 6 & Maxwell!

The role of the Tenant Representative is to be the bridge between Kirtland Family Housing staff and our residents. We help to foster a warm, united community and provide a clear, consistent source of information to help us improve the quality of service to our residents. Tenant representatives are asked to attend bi-monthly meetings held at the Town Center to bring forth issues, concerns, and ideas to the KFH team. Contact the office today to volunteer or for more information!

We LOVE Our Residents!

Thank you to all of those who attended our Valentine's Day craft last month! We had a blast! It is our goal to make your time here with us as enjoyable as possible. While we have plenty of ideas for events & giveaways, we want to hear from you to know what kinds of events you would like for us to host for you. Some of the things we are currently working on are hosting more family movie & game nights, ice cream socials, yard beautification contests, craft days and cookouts! If you have any additional ideas, we'd love to hear them!

Look how much fun they had at last month's craft day! Special thanks to all those who attended!

It's almost that time again! We will be holding another Community Information Session on Thursday, May 12th at 6pm. Stay tuned for more details as the date gets closer!

Hunt Update

Website Refresh

Check out our new website! Content has been updated and is easier to access. We're uploading new site and event photos, have included forms and information you'll find useful and, as always, you may contact us, initiate a routine maintenance request or pay rent on line at any time.

Make www.kirtlandfamilyhousing.com one of your "favorites" and you'll be just a click away from photos, info and maintenance request access.

Maintenance

Spring Cleaning Safety Tips

Ready to tackle a few spring cleaning chores?

Don't try to do it all in one day. It's hard to stay safe when you're tired or rushed.

Lift properly - keep your back straight and lift with your legs. Or find a buddy!

Be cautious using ladders and step stools.

Follow cleaning product safety information. Read the label and use as directed.

Keep cleaning buckets out of reach. A child can drown in a few inches of liquid.

Clear away clutter to avoid trip hazards.

Check your fire extinguisher.

Replace smoke and CO detector batteries.

If you have questions about your detectors, please contact maintenance.
